

Adding a Shipping Mode

Adcco displays at least one Shipping Mode or the amount that the client has defaulted in the system.

To add additional

Select the Plus sign located to the right of the Shipment Data section to add additional shipping modes.

Shipment Data								Set as Default
Mode*	Shipping Units*	Additional Weight (LBS)	Total Weight (LBS)	Equipment Type*	Special Instructions	Dimensional Total (IN ³)	+	
LTL	6 Pallets	0.00	250.00	Van-standard trailer		10368.00	Add Quote	
Shipment Accessorials								
User Defined Accessorials								

This will allow users to compare rates between multiple mode offerings.

Shipment Data								Set as Default
