

Adding a Product Line

Adcco displays at least one Product Line row OR the default number your account is set up to display.

To add additional

Select the “Add A product” option located below the current product details shown in the Product Data section .

The screenshot shows the 'Product Data' section with a table containing one row. The table has columns for Code, Qty (6), Package Type (Pallets), SKU, Description, NMFC, Class (60), Weight (250), L x W x H (12 x 12 x 12), and HazMat. Below the table, a button labeled '+ Add a Product' is highlighted with a red rectangular box.

This will allow additional line items for Product Details

The screenshot shows the 'Product Data' section with a table containing two rows. The first row is identical to the one in the previous screenshot. The second row has Qty (0), Package Type (Pallets), Class (Unsp), and Weight (0). Below the table, a button labeled '+ Add a Product' is visible.
